STATUS INQUIRY and
NOTICE OF CHANGE OF ADDRESS OF APPLICANT'S ATTORNEY

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Notice of Change of Address of Applicant's Attorney

Please note that previously on February 20, 2002, a new "Power of Attorney by Assignee of Entire Interest" in the subject application, which appointed the undersigned as the attorney of record in this application was submitted to the PTO. A copy of said Power of Attorney along with the return postcard bearing the PTO's stamp is enclosed.

Please also note that the undersigned has recently relocated, and it is requested that all future communications be forwarded to the following:

Kamran Fattahi, Esq.
Law Offices of Kamran Fattahi
Encino Office Park II

Status Inquiry

Please advise the undersigned of the status of the above-identified application. The undersigned attorney took over the prosecution of this application from the assignee's former attorney, and the last paper in our file is a Filing Receipt dated May 9, 2001. In order to find out the status of the subject application, today the undersigned contacted the PTO's Office of Initial Patent Examination (OIPE) and spoke to Mr. Preston Wallace who informed me for the first time that the PTO apparently had issued a Notice of Missing Parts on May 9, 2001, which apparently has never been responded to. I informed Mr. Wallace that I have never received such Notice of Missing Parts from the PTO or from the assignee's former attorney. Mr. Wallace further informed me that the new Power of Attorney that I had previously submitted was not made of record.

Therefore, it is respectfully requested that the undersigned be recognized as the attorney of record with our new address and contact information (see above), that a copy of the Notice of Missing Parts be provided to the undersigned, and that the applicant be provided with sufficient time to respond thereto.

Dated: June 26, 2002

Kamran Fattahi (Reg. No. 35,758)
Attorney for Applicant,
